A N Brothers

Introduction

A.N. Brothers, founded in 2021, continues a legacy of excellence in industrial painting, sandblasting, building, Project Work & Maintenance, and Residential Painting Work for over two decades of experience from our sister firm, Unique Color Contractors, established in 1995. We blend time-tested expertise with modern techniques to deliver exceptional results. Our services include all types of industrial painting work, sandblasting, project work and maintenance work, and residential painting work. With experience and a highly skilled team of professionals, we deliver high-quality painting and coating solutions that protect your assets, enhance their appearance and extend their lifespan.

A N Brothers is a trusted name in the industrial painting industry. With experience and expertise, we deliver quick and easy solutions to all your painting needs. Our industrial painting and coating services are of high quality and essential to prevent corrosion in various commercial and industrial environments and applications. We take pride in offering a state-of-the-art sandblasting facility that can efficiently complete any commercial abrasive blasting service. We use only the highest quality, man made abrasives to ensure the cleanest and most consistent blast profile for our customers.

A N Brothers

Objectives & Goals:

At A N Brothers, our objective is to provide our clients with high-quality industrial painting and sandblasting services, which help to protect their valuable property while maintaining an aesthetically pleasing appearance. Our services are designed to meet the diverse needs of various commercial and industrial environments and applications, and our ultimate goal is to become the leading provider of industrial painting and sandblasting services in India.

- **Providing High-Quality Industrial Painting Services:** Our primary goal is to offer high-quality industrial painting services that meet the diverse needs of our clients.
- **Offering Top-Notch Sandblasting Services:** Our sandblasting services are designed to clean, finish, or prepare metals before applying paint or other protective coatings.
- **Delivering Customized Solutions:** We understand that each client has unique requirements. Therefore, we aim to provide customized solutions tailored to meet the specific requirements of each client.
- **Ensuring Customer Satisfaction:** We believe that customer satisfaction is key to our success.
- **Continual Improvement:** We are committed to continuously improving our industrial painting and sandblasting services.

Our Services

Industrial Painting Services: At A.N. Brothers, we provide comprehensive industrial painting services that cover everything from estimating to maintenance programs. Our team of experts has the knowledge, skills, and experience to handle even the most complex industrial painting projects, ensuring that your assets are protected and look their best. We use high-quality paints and coatings that provide long-lasting protection against corrosion, rust, and other environmental hazards. Our industrial painting services include:

- High-performance coatings
- Large scale industrial painting capabilities
- Advanced color matching
- Highly trained and experienced team

Sandblasting Services: Our sandblasting services are used to clean, finish, or prepare metals usually before applying paint or other protective coatings. We use the latest sandblasting technology to remove surface debris, such as rust or dirt, and other contaminants from steel and metal surfaces. Our sandblasting services include:

- State of the art sandblasting facility
- High-quality manmade abrasives
- Highly trained and experienced team

A N Brothers

Our Services

Project Work & Maintenance Work: We offer a comprehensive range of project work services to our clients, including project planning, management, execution, and monitoring.

- Our team of experienced project managers, supervisors and field incharge work closely with clients to ensure that projects are delivered on time, within budget, and to the required quality standards. We also offer maintenance services to help clients
- maintain the integrity and safety of their industrial equipment and facilities. Our maintenance services cover a range of activities,
- including inspections, repairs, upgrades, and replacements.

Residential Painting Work: In addition to our industrial painting services, we also offer high-quality painting services for residential properties.

- Our team of skilled painters have years of experience in providing interior and exterior painting services for homes, apartments, bungalows and villas. We use only the best quality paints and
- materials to ensure a long-lasting and high-quality finish. Our residential painting services covers surface preparation, priming
- and we work closely with clients to ensure that their vision for their home is achieved.

Responsibility & Expectation

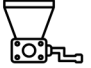

A N Brothers

As a service provider, we are committed to meeting our customers' expectations and delivering the highest quality services. We expect our customers to assist us in the following areas to ensure smooth functioning and maintain a long-term business relationship:

- We will provide painting work services round the clock and as per the customer's requirements. Our staff shall be appointed by us
- and shall be under our direct control and supervision. However, we will observe the standing orders of the customer's esteemed organization. We will be responsible for fulfilling the personnel
- requirement of our working staff. The painting work supply contract will be valid for one year subject to renew every year in
- the month of April. In the case of termination of the contract, one month's notice in advance is required from both parties. Payment
- of the monthly bill is required to be cleared by the 10th of every succeeding month by A/c payee cheque or NEFT/RTGS only. Our
- workers will be held responsible only for their area of responsibility for any kind of untoward happening. A copy of the company's
- standing orders for manpower contract shall be provided to this office for our perusal and implementation.

Customer Appreciation Letter

SPECTRUM

Date:-14/08/2024

To Whom Soever It May Concern

We are pleased to commend M/S A.N. Brothers, A-5 Patel Super Market, Station Road, Bharuch - 392012, a partnership firm established in 2021, carrying forward the legacy of "Unique Colours Contractor," a trusted name since 2002 in the painting and surface treatment industry. Although A.N. Brothers is relatively new, it brings with its decades of experience and expertise inherited from their father's proprietorship.

In a short span, A.N. Brothers has successfully completed over 15,00,000 square feet of painting work, consistently delivering high-quality results. We have found their work to be thoroughly satisfactory and reflective of the rich history and professionalism they embody.

We wish them all success in their future engagements.
